PLEASE NOTE THAT EACH JOINT HAS A SPECIFIC CODE.

Patent: Taiwan
Patent TW M494245
Ireland
Patent IE S86458

France
Utility Model FR 1463394
China
Patent CN ZL 201420377642.9

Denmark
Utility Model DK BR201400112
Germany
Utility Model DE 202014104618.6

Assembly Instructions

1. Tighten all screws to all joints.

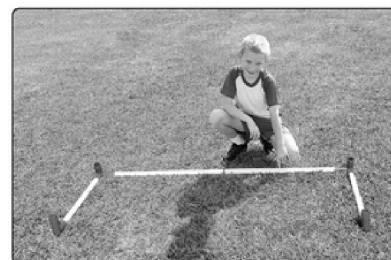

2. When connecting the poles, please take the following steps.

- (1) Take out plastic connectors (F1).
- (2) First, insert metal poles with round end into one side of connectors.
- (3) Then, insert metal poles with slightly shrunk end into another side of connectors.

Note: Do not insert shrunk metal poles first into plastic connectors (F1).
Note: The two metal poles should be connected inside connectors.

3. Set up the base of goal.

4. Use plastic hangers to hang the net to the goal.

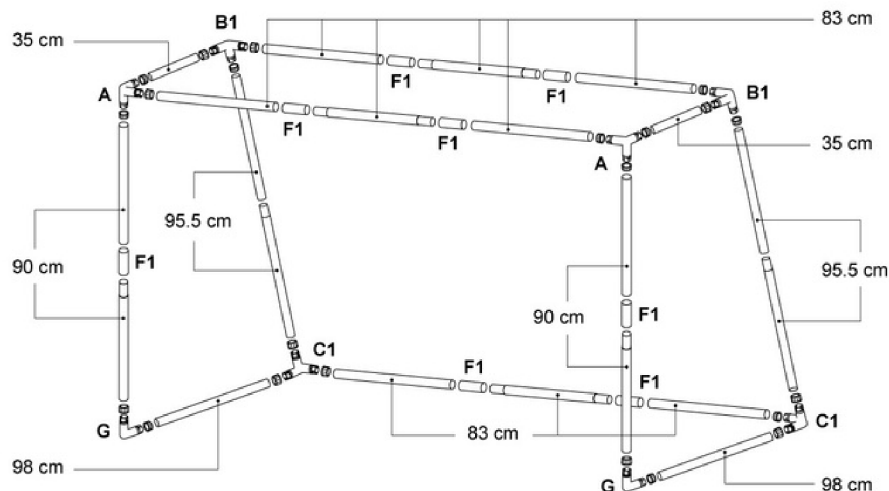

- WARNING:**
1. Not suitable for children under 3 years of age due to small parts. Choking Hazard.
 2. Adult assembly required. For domestic use only.
 3. Before using this product, check all fastenings are secured and tightened fully.
 4. Ensure the goal is secured at all times during use by means of the anchoring system supplied for the surface on which it is placed.
 5. Don't climb on the net or goal framework.
 6. Using official soccer ball is not recommended.

All products are designed, developed and produced in **TAIWAN.**
